

# GLASGOW UNIVERSITY UNION

## ELECTION OF OFFICE BEARERS AND BOARD OF MANAGEMENT 2024/25/26

### MANIFESTO FORM

For the position of: Present Student Member

Candidate: Anoushka Ross

Proposer: Angus MacDonald

Seconder: Gabriella Nicol

The space below is provided to allow candidates to explain their reasons for offering themselves for their respective positions and to list such qualifications and experience which are relevant to these posts in not more than 200 words.

I aim to create a supportive and welcoming community within the union by improving the support systems already in place as well as making the union more accessible.

Currently many are unaware of the safe space beyond cresh. I would signpost this space more clearly by advertising it as a quiet place to take a moment, where you can charge your phone, or get some water.

Additionally, due to how busy the bars are downstairs it can be difficult to get water. I would introduce another water station downstairs with a member of board there to help improve community outreach and visibility of board.

I aim to continue making the union a safe space for women and gender minorities by introducing the pink lanyard to clearly identify a member of board as someone to go to if you feel unsafe especially as the current board uniform is difficult to distinguish in the dark.

Finally, I would also work on improving queuing by using more entrances for large scale events such as Halloween hive and introducing a ticketing system.
