

GLASGOW UNIVERSITY UNION

CANDIDATE MANIFESTO

ELECTION OF OFFICE BEARERS AND BOARD OF MANAGEMENT 2026/27/28

Candidate: Rosa Macaulay
For the position of: Convener of Entertainments
Proposer: Anna Thomson
Seconder: Angus MacDonald

This year I've had the pleasure of being involved with the GUU, taking part in Freshers Week 2025, winning Ents Helper of the Week and being a dedicated member of the Entertainments Committee. I've been committed to every open mic, tribute, act and event Ents has organised.

As Convener I'd build on the committee we know and love while introducing new music and experiences to the union!

- Open Mic is my favourite night of the week. I'd ensure it stays true to the name, not purely live music or drunken karaoke, but a fun space for committee and everyone else.
- Make sure live music and karaoke nights are marketed well on our socials.
- Continue showcasing Glasgow artists, bands and DJs at big events.
- Introduce Open Decks working with student societies to support local and student DJs.
- I propose working with student music societies for genre dedicated jam sessions, for students to perform or enjoy!

As Convener I promise to ensure Ents and the GUU confirm time in students' calendars to live up their university experience and have more fun. I've peaked in Beer Bar, now I'm ready for board.

Note: I pledge to ents I'll occasionally put the tambourine down.
