I have become more involved in the GUU over the past year and would love to have the opportunity to make a greater contribution in the position of PSM. I have been a freshers helper for the past two years and I loved every minute of it. I would look forward to helping organise freshers week to make it as enjoyable as possible for both helpers and freshers, in particular looking for ways to make it as accessible as possible to home students. I also joined DF committee in 2021 and look forward to being involved building and painting again next year. In the position of PSM I would hope to work with the board to build on what has been previously for student safety. I have been involved in other committees at university which have required me to have good organisational and time-management skills, both of which I believe to be important as a PSM. I would also hope to be a friendly face for students in the union especially on duty.
