I'm a second year medical student and I've loved coming to the union since arriving here I'd be honoured to be involved in its running to give back what I can. Firstly, I would see to implement a student battle of the bands where all musicians could compete, solo or in a group, for an evening of music and events with a cash prize for the winner. I would aim to host more theatrical and musical events in the union so there would be something for everyone to enjoy in such a unique space. A wider range of tunes in HIVE would also be something I would aim to achieve. To generate ruther revenue to make these projects possible, a union merchandise shop and deals with local businesses would be good not only for members but for business and enabling a broader drink selection. The union is such a central aspect of life here for me and I would work to further the advantages of membership events held and opportunity for all to find something for them. I've worked as an HCA in A&E for the past two years, so I've seen some chaos but here's to a little more.
