Hi there, my name is Theo and I'm a second (going into third) year Business & Politics student, and I am running for PSM.

As PSM I will:

- Be an incredibly transparent, open and approachable board member who breaks down barriers and represents the interests of every-day members. I will do this by setting up dedicated contact channels (continuing the use of my campaign Instagram), hosting regular Beer Bar surgeries to meet with members, having an anonymous Google feedback/report form and wherever possible publishing information about what was discussed at board meetings.
- Push the union to review and improve security in light of various spikings and thefts.
- Call for the board to review prices as much as possible and remove minimum card spend limits.
- Motion to introduce a new drink, the "Mega pint of fun".

Unlike most board members I haven't come up through the various union committees but instead through the Beer Bar as a punter, and I think this gives me a unique insight. It's time to elect someone a little bit different to PSM!
