Even as a First Year student, the Union has been a quintessential part of my university experience. Whether I'm there for a GUU or society event, or just catching up with friends in the Beer Bar, it is undeniable that it has defined my life since September. My experience within previous leadership and organisational roles including roles with affiliated societies in organising events at the GUU has made me an ideal candidate for PSM.

As PSM, I would work to implement the following:

#### **Bring Back The HIVE Stage**

Work to rebuild the sorely missed HIVE stage.

#### **Push HIVE Entry Fees Back To 10pm**

Delay having to pay to enter the GUU until 10pm on club nights to try and entice people to enter the Union earlier. By delaying fees, this will boost attendance at HIVE events at earlier times, leading to a better atmosphere for all and greater revenue for the Union.

#### **Extend The Kitchen's Hours And Offer Discounts On Club Nights**

Have the Kitchen close later and offer discounts on club nights to ensure attendees aren't drinking on empty stomachs and make sure no one has to leave the union to get food later in the night.
