

GLASGOW UNIVERSITY UNION CANDIDATE MANIFESTO

ELECTION OF OFFICE BEARERS AND BOARD OF MANAGEMENT 2026/27/28

Candidate: Isla Inglis
For the position of: Convener of Entertainments
Proposer: Emilia Summers
Seconder: Scott O'Hagan

After an amazing year on the best committee in the world and spending every Friday night and more in the Union, I decided it would be a good idea to run for Entertainments Convener! Becoming involved with the union is one of the best decisions I have made at uni, from having the silliest time with the best people to helping with events, I've seen what it takes to put on the best events, and I want to be a bigger part of that. I want to continue last year's successes, putting on music events like Battle of the Bands and exploring ways to get bands to play at the union (even if it means including harmonica players). I would love to introduce songwriting/jam sessions, as I think this would be a great way for people to collaborate and see what the union has to offer musically. I also want to expand society outreach for themed open mics. It has been a great way for societies to get involved with the union, and they are so fun since open mic is the best (totally not biased at all).

Thanks for reading, and can't wait for another amazing year!!
