## ELECTION OF OFFICE BEARERS AND BOARD OF MANAGEMENT 2022/23/24

### MANIFESTO FORM

For the position of: Present Student Member (2-year)

Candidate: Rory Sullivan

Proposer: Duncan Armstrang-Martin

Secunder: Patrick Rogan

The space below is provided to allow candidates to explain their reasons for offering themselves for their respective positions and to list such qualifications and experience which are relevant to these posts in not more than 200 words.

If elected I would aim to ensure regular maintenance of facilities as the toilets end up being broken or too dirty to use on Hive nights, this ruins many students experience of the building and could deter them from coming back.

Another aim would be to streamline the Daft Friday Building committee with written plans of how everything comes together, this will allow more time for prop building and elevate the stress on the final week as everything is put together, allowing for a better Daft Friday for everyone. My experience of being on the Building Committee for Daft Friday last year is a great starting point to understand what happens and needs to be improved on.

I have experience in and around the building having been a Freshers Helper last semester, this responsibility developed my understanding of how the building is run and operated and will be a great starting point if I was elected. Freshers Helping also improved my ability to look after drunk students who enjoy Hive to much as well as helping new students making their first trips to campus who want a look around, both key parts of the role!  
Finally Vote RORY
