Hi. I am seeking your support in standing for re-election as one of the Union's two Vice-Presidents.

As the Union recovers from COVID19 losses, the Union's position on campus – its location and its profile/reputation – needs to be continuously promoted. I have been engaged with these issues for the past two years, including our response to the university's campus strategy, and it's vital to keep a watchful eye on this as developments progress, as well as contributing to the continual refreshing of GUU facilities and services.
