

# GLASGOW UNIVERSITY UNION

## ELECTION OF OFFICE BEARERS AND BOARD OF MANAGEMENT 2022/23/24

### MANIFESTO FORM

For the position of: Present Student Member (2-year)

Candidate: Amber Collins

Proposer: Sara Matthew

Secunder: Carys Nield

The space below is provided to allow candidates to explain their reasons for offering themselves for their respective positions and to list such qualifications and experience which are relevant to these posts in not more than 200 words.

As candidate for present student member, my first objective is to make the union more inclusive by reaching out to more students to join and access our unique events. I will further encourage members to get involved in organising events and committees. I will have students' feedback and desires central to the running of events and facilities. To do this, polls will be conducted for members to vote and express their wishes. These polls would be easily accessible and frequent. Another objective is enhancing GUU facilities, e.g., better building maintenance, cleaner bathrooms and reopening of the GUU shop.

Another objective introduced more charity focus, by encouraging and organising more charity events and donating proceeds. I would create a message board for awareness projects and charities to advertise causes.

I will improve member involvement and communication, allowing students to be more involved and implement changes they want in the union. I will make sure what does change will be expressed to the members to avoid issues such as disorganised events and unexpected price raises. This will result in a more organised, accommodated, enjoyable and inclusive GUU allowing an even better student lifestyle for members catered to their own taste.
