I'm a current Games com member, 2-time freshers helper, FW team leader, and DF builder so it's fair to say I love the union (maybe too much). As a home student in first year, the union was vital to my university experience of socialising, and I'm super keen for the opportunity to help with its running and making it a more fun and inclusive place for all students! I've been a regular at various quizzes and other events since 1st year, but I got involved in games properly this year. I've had an awesome time on committee and I aim to make next year's committee's experience even better, while being as approachable as possible. I have plans for many new events (whilst keeping all the classics), like Table Tennis and Beer Pong tournaments. I want to use my connections across the university to do more colab quizzes to get more people (who might not otherwise be) involved in Games. I'm also a big nerd, so I want to use my tech skills to improve games, such as online sign-ups and tournament systems. I'm enthusiastic, energetic, and can't wait to dedicate more of my time and effort to Games!
