I am a second year history & politics student and am running to be your GUU PSM. Via, Veritas, Vita bAbaYyyY.

Stop the Smell - Ever wondered why HIVE smells soo bad? Me too! Students shouldn't have to wait to go nose-blind to have a good night. If elected as your PSM, I will not rest until HIVE only smells as bad as every other nightclub in Glasgow.

Improve student-staff relations and bouncer welfare awareness - The union should always do everything possible to ensure it is a safer & welcoming social space. The Union should be understood as more than just a nightclub on Thursday & Saturday evenings, offering an alternative, safer space to clubs in the city. Security should be increasingly aware of welfare issues on the door and ensure everyone is respectfully searched so all students get home safe.

Serve Tennent's - As the largest university in Glasgow, we should serve beer brewed in this city, starting a conversation with Tennent's to replace every drop of Carling in our bars. Glasgow Students deserve to drink better than a beer brewed in the Midlands :/

I will work towards these to make GUU a tastier, safer, more fragrant place. SMELL CHANGERS WELCOME!!!
