As a second-year student, I have thoroughly enjoyed attending the union since its reopening, I believe that it is a brilliant institution with a storied history and fantastic facilities that has a lot to offer to its members. Since the start of the year, I have been a member of the games committee and this has allowed me an insight into how the union is run, and I have come to believe that If I were elected to PSM I could help to make the union an even better place. One of my pledges is to reopen the union shop which has potential to be a convenient place for students to stock up on essentials. I would also like to introduce a mailing list/newsletter, which would keep our members updated on the goings on in the union and the activities of the board. This will help to make the union more transparent and give members an understanding of how the union works. On top of this I pledge to always be a hardworking member of the board to be a voice for those who are not traditionally involved with the union.
