Would be extremely excited to continue my time on the Board of Management, my goal will be to maintain and improve relationships with sports clubs and societies around campus. I will especially promote room bookings and events on Saturdays to improve footfall in the building and help us financially recover from the pandemic and allow further investment in student welfare.

My time on Board has also given me invaluable experience and an understanding of what is required of the Asst. Hon. Sec. role, and I am confident I will be a great fit.
